DR. TREGANZA

DR. TREGANZA ELECTED

Dr. Amorita Treganza, a Lemon Grove optometrist, 3415 Imperial ave. became the first woman to be named president of the S.D. Girls' Club at an election Monday.

Dr. Treganza has been identified with the S.D. Soroptimst club, the sponsoring organization which founded the Girls' club.

The club provides a supervised after school program for youngsters 6 to 16 of limited means.

SMALL ARMY RECRUITED

Leaders Expect 400 For "T" Day Action

Elimination Of Tumbleweeds Goal Of LG-SV Groups

A manpower pool of about 400 has been organized to attack the Spring Valley-Lemon Grove tumbleweed menace this Saturday, Jan. 20, when the county's first "T" Day will be held.

The announcement was made by anti-tumbleweed chairmen Hibbard Stubbs, L.G. and Howard Potts, S.V.

They declared that the cooperation and assistance of everyone in the community is needed in the big one-day effort.

A survey of both Spring Valley and Lemon Grove indicated the flourishing growth of a far greater number of tumbleweeds than first estimated, the anti-tumbleweed committees stated.

They felt the only way to eliminate most of the tumbleweed growth would be through widespread community participation. (Since announcement of the Jan. 20 campaign, some community response has been noted.)

INSTRUCTIONS ISSUED

Anti-tumbleweed committees issued the following instructions to people in the Lemon Grove-Spring Valley area:

Each family can help by chopping and stacking the tumbleweeds on their immediate or adjoining properties.

When tumbleweeds are piled and ready to burn, call the fire department. Don't call emergency numbers but rather numbers given below.

People should wear gloves and protective clothing when working with tumbleweeds.

Those wishing to help in the community - wide effort should report to a staging area. (see below)

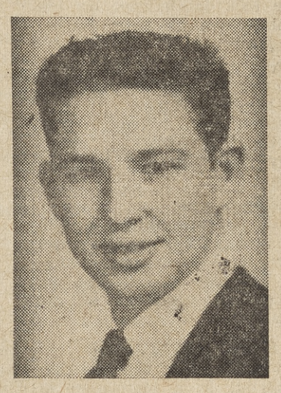
President Names Grove Man To State Dept. Post



George Hoover

George R. Hoover, 24, of Lemon Grove has been appointed a career Foreign Service Officer by President Kennedy, the State Department announced this week. The appointment makes him a vice consul and a secretary in the Diplomatic Corps.

Born in Annapolis, Maryland Hoover graduated from the Hempstead High School in Hempstead, New York in 1955. He received his B.A. degree from San Diego State College in 1960. He took post graduate work at U. of C. at Berkeley.

Hoover is married and he and his wife make their home in Washington where he is presently attending the Foreign Service Institute in preparation for his overseas assignment.

Free Dinners Added To List Of Prizes

Dinner for two at Michael's cafe in Lemon Grove has been added to the list of free merchandise being given weekly to subscribers whose names appear in the want-ad section of this newspaper.

If you are a subscriber, look in the want-ads and see if you have been named winner of the free dinner; three lines of bowling at the Lemon Grove Bowlero together with free lunch at the Bowlero's Lanter Inn dining room, or a free car wash at the Violet Ray Car Wash at Jamacha and Skyline.

The winners are chosen by the Girl Friday in the newspaper office. She selects at random, names from among those who are in our subscription files.

Winners may even repeat because winning doesn't disqualify anyone. Anyone may win. . .provided he is a subscriber.

SPEARS NAMED TO SUPS BOUNDARY COMMITTEE

SAN DIEGO (CNS) — Jim Spears, of Lemon Grove, Rex Hall, of El Cajon, and E. G. Teachout, of Chula Vista, were Tuesday named to a committee to study the county's problems of dividing San Diego up into five Supervisorial districts.

Hall, a prominent pioneer East County businessman; Spears, Ford dealer and civic leader, and Teachout, well known South Bay citizen, were the nominees of Supervisor David W. Bird to a 15-man committee being set up under a state legislative requirement passed last year.

L.G. Rotary 'Demotes' New Sheriff

The new sheriff of San Diego County, Elmer Jansen, got his first "demotion" Monday. . .and he got it in Lemon Grove.

Sheriff Jansen, a long-time Rotarian, visited the L. G. Rotary club which meets Monday noon at Michael's.

Acting President Joel Artavia was asked by guest introducer Meyer Zung, what possible classification the local Rotary club could offer an "unemployed police chief" noting that it must be a classification not now in use.

Artavia suggested that Jansen be listed as Police sergeant of Lemon Grove.

Before Sheriff Jansen could even "cop a plea," he was voted on. . .and his classification approved.

Teacher-Students To Show Skill At Palm Jr. PTA Meet

"New Frontiers in Education" will be the theme of the Palm Jr. High PTA meeting to be held Jan. 18, 7:30 p.m. in the school cafetorium. There will be demonstrations of new procedures by the following teachers and students:

John Haynes will present "English in Composition Writing;" Arlenn Thorstenson, "Program in Testing;" Plato Arapostathis, "New Approach to Mathematics." The Rev. E. Walter Smith will give the inspiration. Colors will be presented by Girl Scout Troop 827, Mrs. F. A. Simpson, leader.

Mrs. Frank Armstrong, president, will announce the resignation of Mrs. Lois Burnworth as secretary, and the appointment of Mrs. C. J. Phelps to fill the position for the remainder of the year.

Hostesses for the evening will be room mothers in 7-3.

CHESTMOBILE TO BE AT EL CAJON CITY

The San Diego Department of Public Health announced a new Chestmobile schedule for El Cajon. The mobile X-ray unit will visit El Cajon on the fourth Wednesday of each month during 1962.

The first visit will be Jan. 24 at the El Cajon Health Center.

SUPS TO DECIDE ON FUERTE DRIVE VARIANCE

SAN DIEGO (CNS)—A public hearing on the request of Eugene B. Weber for a variance to allow him to make a legal building site of a lot with 19,352 square feet, where an acre is required, at 10704 Fuerte dr., La Mesa, was continued for two weeks at the Tuesday Board of Supervisors session.

Doctor's Patience Is Dog-Gone

Dr. Basil Maloney, well-known L.G. obstetrician, is grand with babies, but with dogs. . .well, he needs a little patience and a lof of assistance.

The Maloney's family dog, a small black shaggy male disembarked from the family auto as the group were paying a visit Tuesday evening to the Dr. Dennis McLaughlins who live in Spring Valley Estates.

When Dr. Basil rounded up his family for the return home, Char (that's the name the shaggy dog answers to) failed to respond. Search of the neighborhood produced no trace of the animal. Char wears a green collar with license no. 13581 on it.

A suitable reward for Char's return is offered by the Maloney family. JU 2-1439 is the dog's home telephone number and a suitable reward is offered by the Maloney family for Char's return.

Local Women Plan Reception For Mr. Hegland

RECEPTION — Mrs. Robert Sutton and Mrs. John Dail, of Lemon Grove display announcements for a reception planned at the home of Mrs. Dail Jan. 25, 7:30-9:30 p.m. for Assemblyman Sheridan Hegland. The two women, civic and social leaders in the community, are co-hostesses of the affair. Mr. Hegland has announced his candidacy for the office of U.S. Representative. "We wanted to give those people who have admired Mr. Hegland for his work in the state legislature a chance to chat with him before he gets in to the thick of his campaign for U.S. Congress," Mrs. Dail said. Mrs. Sutton is the wife of the principal of the L.G. Junior High School and Mrs. Dail is the wife of a LG. insuranceman.

Vote Seen For Jr. College Bond Issue For $7½ Million

Junior college district voters will decide June 5 on the issue of a bond issue to raise 7½ million dollars to build a junior college facility.

By a three to two vote, trustees of the college district, who are also trustees of the high school district, agreed to submit the proposition to the voters. Robert Dryden in a dissenting vote, said taxpayers would rebel at so great a figure. Mrs. Portia Goode, the trustee who made the motion, then asked the board to reconsider its action and to submit an issue of a lesser amount, one that the board could support unanimously. The board agreed to reconsider the motion in two weeks.

The board proposed to use the bond income to build a 2,500 student facility in Fletcher Hills on a 133 acre site at the end of Katherine st. The facility would be built to enable expansion with a capacity of 4,000 to 5,000 students.

Robert Brown of Vista La Mesa and Robert Dryden of El Cajon voted against the issue. They asked for more information from the staff and suggested a lower cost project so that voters might more readily support it.

In October, voters turned down an $8 million bond issue for facilities which included the purchase of two sites, one of which was east of Casa de Oro.

The district presently operates a junior college facility at Monte Vista high school in Spring Valley. Attendance there is 1,500. Less than half are full-time students.

Skyline Democratic Club Hears Talk By James Mills

The Skyline Democratic Club with Charles Mosley as president, held its first Spring Valley meeting Sunday afternoon in the S.V. chamber of commerce hall. Representatives from six county clubs were present. Guest speaker was Assemblyman James Mills of the 79th Dist., who is a candidate for the 37th Congressional District.

Mills told his audience that California Democrats have a better chance for unity more than ever before.

There will be another meeting Jan. 21 of the Skyline Club at 8 p.m. in the Encanto VFW Hall on Market street.

AT CIVIC MEETING — Lionel Van Deerlin (left) spoke at the Monday night meeting of the Encanto Civic Club. Officers of the club are (left from Van Deerlin) Mrs. John Frisker, second vice president, J. F. Torres, vice president and Verne Martin, president. The Encanto group decided to sponsor a band.

Encanto Decides To Start Band; Van Deerlin Speaks

A talk by Lionel Van Deerlin, channel 6 newscaster and democratic candidate for the 37th Congressional district and a decision to sponsor a community band were highlights of the Monday night meeting of the Encanto Civic Club at the Wunderlin st. community center.

The meeting was attended by a group of Encanto people which meets on the first and third Mondays of the month.

Van Deerlin pointed out the necessity of cooperation between the city of San Diego and the Navy in development of San Diego Bay. He said improvement of the bay could result in further shipping activity here.

Both the improving and the shipping would provide more local employment, he said.

Decision to sponsor an Encanto band was voted in by 9-6. Those in favor gave the following advantages to having a band:

It will help juveniles by giving them a worthwhile activity and training.

It will further Encanto by representing it at various events.

It will be used to raise funds for other Encanto community projects.

A recreation leader was appointed by the group to determine costs of getting a band started.

The meeting was run by Verne Martin, president.

Mrs. D. E. Bauer Funeral Held

Services were held on Tuesday of this week at Paris Mortuary in El Cajon for Mrs. Dorothy E. Bauer, 47, of 4153 Massachusetts, L.G. She died on Thursday of last week at a San Diego hospital.

She is survived by Wilbur A. Bauer of the same address, her husband; Charles S. of San Diego, a son; Mrs. Marie Roberts of Knoxville, Tenn., a sister; and Duncan Davis Jr., of South Bend, Ind., a brother.

A window cleaner with the Bright Shine firm for 18 years, Mrs. Bauer had been active in bowling leagues for 12 years. She had lived in the county for 19 years.

Rev. Kenneth E. Grant of the La Mesa Presbyterian Church officiated at the Bauer services. Interment was in Ft. Rosecrans national cemetery.

The Case of the Unfired Clerk

R. B. "Bud" James, the savvy county clerk; clerk of the board of supervisors, and administrator of the Superior Courts says he wasn't discharged. He quit.

James referred to his job as administrator of the Superior Courts, a job that he had assumed back in 1958. He produced a letter dated Jan. 8, 1962 in which he suggests to the Judges of the Superior Court that they appoint an administrator "directly responsible to the Courts" to take over the work load that had now become too burdensome for him to bear.

The judges meanwhile had called a meeting for the purpose of discharging James from his Court administrative duties, which they did by a 16-1 vote, Judge Bonsall Noon casting the negative vote.

There is little question that James had an inkling that the separation was coming. He is a hard-working political figure who keeps his ear to the ground and passes few opportunities to let the public know of the good job he has been doing. And a good job it has been too,

One of the things he did soon after the 1958 appointment was to ask for a 30% pay increase while the rest of the eight elected officials asked and got 20%. He used the extra work at the hands of the Courts as the reason for the extra ten. He got it!

James had been getting $12,300. He was raised to $15,990. The tax collector, recorder, coroner and treasurer were boosted only 20% to $14,760. Now, all eight, including the sheriff, the district attorney and the assessor are making for another raise. While it has not been publicly announced, the amount they seek is 10% increase now with 5% increases each of the subsequent two years.

Last summer, a mild ruckus was touched off when it was announced that a fraternal ceremony would be used to dedicate the new court house. The idea was abruptly dropped and the ceremony delayed for nearly six months. Some of the atmosphere for James' dismissal stems from his part in the earlier proposed ceremony. The judges were reported to have been nettled by the inept plans.

Finally, there is a point that should not be overlooked. The political plum that is set up by separating from James is a reward to be cherished by the judges. Judges, with an annual salary between $25,000 and $30,000, have asked the Chief Administrative Officer of the County for an administrative clerk to be designated Secretary to the Superior Court. It is hardly likely that such a person would draw less than $15,000 a year, a tidy sum, anyway you look at it.

Unhappily the Supervisors who gave James the extra ten per cent for Superior Court duties, will have to face the equalizing process in considering salaries of the eight elected officials. If James has dropped the duties commensurate with

First Portable CD Hospital To Get Lemon Grove Tryout

The Lemon Grove Coordinating Council didn't hold its annual election Monday night as scheduled but it did get the promise of the first S.D. county showing of the state's portable hospital.

Not only did the nominating committee not show up but the committee sent no recommendation. Dr. Dennis McLaughlin, present president, called for nominations from the floor but even this produced negative results. President McLaughlin then postponed the election for one month, until the next meeting of the Council at 7:30 p.m. Feb. 19 at the junior high school auditorium.

Emphasis at the meeting was centered on civil defense. Dr. Pete Shea of Lemon Grove, a member of the CD Medical Disaster team said that the first county exhibition of the CD portable hospitals would be made in Lemon Grove March 31. It will be erected at the L.G. VFW building on Imperial ave. for a one-day showing.

FULL SCALE PROGRAM PROMISED

William Marty, county civil defense director discussed the Council's shelter program which is now being formulated. There will be a full-scale civil defense program going by the end of the year, he told the council. "We definitely will bring people with training back into the program," he said.

He told the council that there are "significant disadvantages in community shelters designed for more than 175 persons. The management problem is compounded by size." He said policing, disease control and handling of mentally disturbed persons would create the management problem.

He also reported that community shelters accommodating 200 persons or less, could be built in quantities of 20 for $65-85 a person.

COMMITTEES NECESSARY

The first step toward community shelters is necessarily public committees, such as the Coordinating Council, taking the steps that are now being taken. "Committees are not at the end of the program, they're at the beginning," he said.

Marty also said that all future schools would be built with shelters.

Frank Armstrong, commissioned by the Council to investigate the Lakewood Plan of city government, told of the success of other communities in bringing representative government to its people for shelter and other purposes. Delmar, he said, had trouble but this centered around their water problem. McLaughlin said shelters could be provided under the Lakewod Plan form of government. This Plan permits residents to contract for services paying for them out of revenues nominally available to cities.

Mrs. J. M. Cahil, member of the Shelter Evaluation Committee for the City of Coronado told the Council that community shelters apparently would have to await public opinion to change through public education.

VALUE OF S.V. SOIL INCREASING

Spring Valley realtor and chamber of commerce president Chet Smith, writes that land value in the Valley is going up and up. To prove his point, he gives the following example:

Only 4½ years ago, his firm sold a Bonita st. home to Wylie and Betty Shelton for $11,500. In an escrow which just closed, the firm took the property back at $17,000 on a Lamar st. home for the Sheltons.

Two Grove Scouts Named 'Speakers'

PTA Life Awards Given

LIFE MEMBERSHIP AWARD — Two Lemon Grove men were recipients of PTA organizations highest award when Honorary Life Membership pins and certificates were given Ray Bullock (above) a veteran Boy Scout leader, and Max Goodwin, publisher of this newspaper. The presentation was made by Mrs. H. K. Thursland representing the Mt. Helix Council, Ninth District CCPT at the Vista La Mesa school auditorium last week on Wednesday.

Bullock was cited for his PTA activities as school carnival chairman and for team work with his wife on many Mt. Helix Council projects. Bullock, who started Boy Scout Troop 311 with nine boys, now has 50 boys, 10 of whom have received eagle awards. He formed a drum and bugle corps with a membership of 25 boys and his group has won 10 parade trophies. He is supervisor of the helicopter shop at Naval Air Station.

Goodwin was awarded the Life Membership Award for service to youth of the community. His publication has earned five countywide awards for youth service from the County Newspaper Publishers Association.

Mrs. Thursday, mistress of ceremonies for the presentation, is past president of the VLM PTA and Founders' Day chairman for the Mt. Helix Council.

Area Roads Added To Federal Aid System

SAN DIEGO (CNS) — The addition of 240 miles of road to the county's federal-aid secondary highway system was approved lately by the Board of Supervisors, to make the roads available for the use of federal funds.

Among the roads now in the system are the following: Sweetwater road, from Broadway, Lemon Grove, south to Jamacha boulevard, then southwest to Paradise Valley road, then south and southwest to National City;

Avocado boulevard, in Spring Valley, from Campo road to Fuerte drive;

Jamacha boulevard, from Sweetwater boulevard to Campo road;

Jamacha, Willow Glen, Dehesa and Harbison Canyon roads, all from Campo road to Highway 80;

Jamacha road, from Campo road northeast and north to the El Cajon city limits.

David K. Speer, road commissioner-county surveyor, who proposed to Supervisors that these roads be added to the secondary road system, said that previously the only county roads with this status were those given to it by the state and then turned over to the county.

The roads will all now be available for federal funds in the secondary road program. They were not before.

MAIL BAG

Dear Editor:

Just a note of thanks for the fine writeup you gave us in the Spring Valley paper. We did receive quite a few phone calls, and it has brought help in the form of clothes and other items to take down. One lady gave two bicycles, one store five beds, and many other things have come in.

I think the most valued result of the article is a new friendship; McCray's. They are taking an active part in the work already, and are being a real blessing in helping carry the load of office work.

We of the Fellowship want to thank you, and say, it is good to have fellowship with friends, and to be able to help one another, and make new friends. May God bless you for the help you have given.

Sincerely yours in Christ,
Irwin K. Ford
(Non-Sectarian Mexican Fellowship, Inc.)

Editor's note: The letter is in response to an article in this paper several months ago telling of the help being given to a group of people in Baja California near Ensenada. Great progress is being made, according to a late report.

Dear Editor:

How many people in Lemon Grove and the county of San Diego know that an ordinance, requiring all private swimming pools to be fenced, has never been passed? I understand there are several right in Lemon Grove that are not enclosed. In fact we live right next door to one that has been completed, and had water in it for over a week now, and still is not fenced in!

No matter how closely anyone watches their small children or toddlers that do not swim yet, it just takes one fall into such a pool, then it is too late. This has been proven by such accidents! Personally, I think it should be a state law that all pools be enclosed, and a lot of other problems that have arisen might be alleviated also.

Dear Editor:

Poinsettias to you!

Even though we are a little late in writing you, my family and I wish to express our appreciation and admiration for your very novel Christmas edition.

The reason it seemed so outstanding was that it was so genuine, so real. Frankly, it was very "old fashioned"—no reminder of the number of shopping days left before Christmas, no warning against traffic on the highways, no hint of the threat of war and communism throughout the world, and of course, no promises of great advances into outer space.

Thank you, Mr. Goodwin, for a front page as it might have been written nineteen hundred and sixty one years ago. It was refreshing in its antiquity — elegant in its simplicity!

Sincerely yours,
Victoria A. Dye

The Board of Directors of The First National Trust and Savings Bank of San Diego at its regular monthly meeting declared a semi-annual dividend of 50 cents per share on the common stock of the bank.

Robbers Of L.G. Liquor Store Nabbed In San Diego

Identified After Bumping Neighboring Cafe Operator

Eugene K. Beck, 19, and Edward W. Glade, 20, had a seven-month armed robbery spree end Sunday evening when they were caught soon after holding up a Pacific Beach liquor store. They were identified in a San Diego police line-up Monday at which more than a dozen witnesses were present, one of whom was Mrs. Mabel Jane Van Alstine, manager of the Boot Liquor Store, 8291 Broadway, L.G.

Mrs. Van Alstine had been held up at the Boot Liquor Store by the juveniles Jan 12 at which time one of them robbed the cash register of all paper money, while the other one held a gun on her. In running out of the store they stumbled into Edmond Becorest, 3269 Buena Vista, L.G. and Victor Macceca, owner of the Wooden Nickel Cafe across the street.

Mrs. Van Alstine said she was suspicious of the young men when they came in and delayed serving them as long as she could and her wait was rewarded. Headlights of an arriving car shining in the window caused the men to grab for the money in the register. They had waited too long, however, because the occupants of the car bumped into them and were able to identify them later.

This is the third time that Mrs. Van Alstine had been held up she said, and while she had been calm at the other two occasions, she said this time she sensed ahead of time what was intended and began to shake with a nervous chill, but managed to keep her wits calm.

Cigarette Snatcher Caught

William Rawlinson, manager of Mayfair Market, 9665 Campo rd., S.V. caught a 15-year-old youth redhanded, stealing cigarettes by the carton. Through the sheriff's department the boy was turned over to his mother. The boy's mother admitted his thieving tendencies and said she could not control him. She asked that he be sent to Juvenile Hall. The sheriff's dept. took him there.

Stone Breaks Window

A stone shot shattered a 3' x 6' plate glass window in the Spring Valley Coffee Shop, 9142 Campo rd., S.V. it was reported by Mrs. Ruby Brown, the manager to the sheriff's dept. Jan. 12. The missile she said was about the size of a large marble and was found imbedded in the plaster wall 40 feet across the room.

Tires Slashed

Mrs. Gordon Kayes, 1550 La Corta st., L.G., is looking for the person who slashed the tire on her automobile during the night of Jan. 10, completely ruining tire and inner tube beyond repair. The car had been parked in front of the residence.

Carburetor Stolen

Jollett Motors, 7644 Broadway, L.G. reported to the sheriff's dept. that the night of Jan. 11 unknown persons entered his garage, raised the hood of his '56 Ford and removed $40 worth of carburetor.

Burglars Frightened

An attempt to burglarize the Valley Farms Market, 9040 Campo rd., S.V., at 12:05 a.m. Jan. 11, was foiled by a temperamental burglar alarm, which started ringing and refused to stop. When the cleaning janitor arrived he found sheriff's deputies on the scene. He entered and turned off the alarm.

Investigation by the deputies revealed that an attempt to enter the store had set off the burglar alarm mechanism. Mrs. Louise Gagnon of the Spring Valley Cafe reported she had seen a green car parked on the east parking lot of the Market. Felix S. Marso, manager, said he had noticed a similarly described car across the street from the market the night before.

The suspect was frightened away by the burglar alarm as nothing was found missing in the store.

Investigation is being made of several custodians, one of whom was found to be on probation on a burglary record.

No Evidence In Burglary Report

Edwin D. Anthony, 2722 Jaynie pl., L.G. told the sheriff's dept. that he saw the light snap off in the bedroom of his home as he returned with his family Saturday. He said he heard the sound of a sliding door being closed as he entered the house but could find no evidence of burglary.

Mrs. Anthony said the neighborhood had been plagued by someone recently and gave the name of a suspect to the police. J. Friedman, a neighbor at 22734 Jaynia pl. also gave the name of a suspect. These proved to be false clues.

Gas Filched

Betty Arnold, 1895 Ensenada, Lemon Grove, reported the theft of gasoline from her Plymouth station wagon, to the sheriff's dept.

Mass Bike Robbery

Bikes belonging to three L.G. boys were stolen from a parking lot at Broadway near Massachusetts Saturday. David William Robbin, 14, 3884 Capital st., Raymond Lewis, 13, of 2241 Berry st., and Michael Prida, 13, of 7113 Waite dr., all of Lemon Grove, found their bikes missing when they returned from bowling.

One was a 26" 10-speed bike, dark green; another is dull black with 9-speeds and twin hand brake, and the third is a Dayton 10-speed, single bar, blue, Ser. 60244 CAN.

Shoots Self In Finger

Jack R. Bruner, 17, 9511 Mont Mar, S.V., became the victim of a freak accident January 15 while he was attempting to adjust his pistol. He told sheriff's deputies, who answered the call, that he knew the cylinder lock mechanism on his pistol, which he kept loaded, was faulty.

While dismantling the pistol, the weapon discharged and shot his little finger.

Bruner was taken to the Heartland Hospital for emergency treatment and returned home.

Hubcaps Stolen

Four hubcaps valued at $20 were stolen from the Chevrolet owned by Vernon John Langpap, 1534 Koe st., L.G. The car was parked in front of his residence.

L.G. School Fire Is Arson

Investigation of the fire that broke out in a storeroom of the Lemon Grove Junior High School aJn. 1, by the Lemon Grove Fire Department and the sheriff's officers, proved to have been incendiary, and not by spontaneous combustion as had at first been surmised.

The electric wiring was thoroughly inspected and found to be run through a conduit.

Cartons of paper had been stacked to within 14 inches of the ceiling beneath an open vent to the roof. After investigation it was the opinion of Capt. Roy Carmody, fire marshall, that an unknown person or persons climbed to the roof and dropped material of an incendiary nature through the vent.

Bikes And Hubcaps Taken

A bike, valued at $65, was stolen from Michael Alan Oyler of 7695 Central ave., L.G. about 4 p.m. January 9, he told the sheriff's dept. It is a 9-speed Schwinn racer with a red frame, he said.

Robert E. Bayless of 3352 San Carlos dr., S.V. told sheriff's men his 20", single bar, English bike was stolen Jan. 8. Value is $15.

A "BSA" white and gold motorcycle was reported taken from the rear yard of James Bertrand Rice at 3580 Helix st., S.V. about 2 a.m. Jan. 9. A neighbor heard the motorcycle being driven away at that hour but could see no one. License number is 97933. Value is $400.

Francis John Pezdek, bartender at Kennedy's Bar at Jamacha and Sweetwater rds., S.V. reported that the hubcaps were removed from his Ford convertible Jan. 9, while he was at work. Clarence E. Robson, a pilot for the Dollar Airlines to Hawaii reported Jan. 10 that the hubcaps had been removed from the car he keeps at the home of his father between flights at 8872 Troy st., S.V.

Check Author Missing

Three Lemon Grove business firms were taken in at Christmastime by a smart "no account" check artist using the moniker of Harry A. Wilson.

The man, who had a 12-year-old Mexican boy with him during his check spree, visited successively Edwin Moskowitz, Petite Shop, 7943 Broadway; The Highlander, 7865 Broadway, and Morrison Adams Jewelry store, 7919 Broadway.

He bought $19.68 worth of clothing for the boy at the Petite Shop; $23.82 worth of clothing for himself at The Highlander, and a watch for $11.35 at Morrison Adams.

The bank on which the checks were issued is in National City. Police of that city say they are holding a check for $41.24 drawn on the same bank issued to a merchant there by Wilson.

All the checks carried the same bank legend "unable to locate."

Celebrants Booked

Carl Buel Mitchell, 28, of 9161 Campo rd., S.V. and Aldon Napoleon Palmore, no age or address given, were arrested by sheriff's deputies Ralph Lowe and Robert Ring last week when the '40 Cadillac they were in was found parked in a ditch a mile east of Avocado blvd. on Highway 94. Both men were "sleeping it off" and the auto contained several bottles of liquor partially consumed.

Mitchell was belligerent and abusive and told the sheriff's they knew they were intoxicated but they were celebrating the retirement of Sheriff Strand and now they would have a chance to get the jobs of the other deputy sheriffs.

Neither man could take the sobriety test. Mitchell resisted vigorously being placed in the prowl car, and had to be restrained. While on the way to the county jail he attempted to kick out the windows of the car, and several times the car had to be stopped to quiet him down.

Both were booked on charges of being drunk in an automobile carrying liquor in an auto, and Mitchell was additionally charged with resisting arrest.

Neutron Missile?

Bruce A. Robbins, 3632 Hartzel drive, S.V., would like to know what was heaved through the plate glass window of his rumpus room early one morning last week. He reported to the sheriff's dept. that the window had been shattered, but he could find no missile. Investigation by the sheriff's deputy revealed only dirt smudges on the window near the shattered area, but the missile was not located.

Gas Theft Reported

Removal of gasoline from the company's truck while parked in the company yard was reported by John Scheerer, manager of the J. & R. Grading Company, 3704 Costa Bella, L.G. Scheerer told sheriff's deputy that he found the left door of the truck standing open when he arrived on Jan. 10, and the gas cap removed and lying on the right running board. Amount taken was unknown, as the truck does not have a gas gauge.

LA MESA WRITERS TO VIEW COMEDY AT NEXT MEETING

The regular meeting of the La Mesa Writers Club will be held Mon., Jan. 22 at 1:30 p.m. in Porter Hall, University ave. and La Mesa blvd. (east end).

The program will consist of a motion picture (western-comedy) "The Eight Ball," produced by one of the club members, Rene La France, with studios in La Mesa. Club members may invite guests, according to Mrs. Mary Murphy, secy.

MIGUEL GETS AWARD OF MERIT FROM UNIVERSITY OF CALIF.

The University of California at Berkeley notified Mt. Miguel high school that it has won the coveted Award of Merit.

Formerly based on the first semester records of entering freshmen in the most recent academic year, this year's award has been the result of study based on the collective first-semester scholarship records of Miguel graduates from 1958-1961. The award is more meaningful because it covers these cumulative three - year records, a Miguel spokesman said.

Field Service Dinner Meeting Set For La Mesa

The La Mesa chapter of the American Field Service is sponsoring a dinner Feb. 19 at which Dr. R. C. Cannon, dean of the College of Arts and Sciences of Cal Western University will be the principal speaker.

The dinner, scheduled for 6 p.m. at the Methodist church in La Mesa, will have as a theme, "Our Little World." Field Service function is to promote understanding and friendship among the world's peoples by exchanging students internationally.

Sponsors of the event urge interested persons to bring a foreign-born student to the dinner. Mrs. Lawrence Woodward, one of the sponsoring committee women can supply names of those available and she may be contacted at HO 9-8432.

Tickets are $1.75 and may be obtained from Mrs. Elizabeth Barrett, La Mesa Chapter president. She may be reached at JU 2-5409.

3 Home Permits Issued in Lemon Grove In December

The department of public works for the County of San Diego announced that three one-family dwelling permits and one commercial building permit were issued for Lemon Grove during December of 1961.

One commercial permit was issued in Casa de Oro.

Homelands got one one-family dwelling permit.

In the Lemon Grove-Spring Valley area, La Presa ranked highest for December with the issuance to that community of eight one-family dwelling permits and one commercial building permit.

In Spring Valley, two one-family dwelling permits were obtained.

BUILDING PERMITS TO COST MORE IN COUNTY

SAN DIEGO (CNS)—Study of a schedule of higher charges for building permits in unincorporated areas was ordered Tuesday by the County Board of Supervisors.

The public works department presented a new set or rates, designed to increase county revenues by about $64,000, but Supervisors asked T. M. Heggland, chief administrative officer, to study the new charges and make his recommendation on whether they should be adopted.

The public works department report with the new schedule said an increase is needed so building inspection revenues can keep up with the increase in the cost for the inspections the county has to make.

Leaders Expect 400 To Battle Tumbleweeds

(Continued)

clearing tumbleweeds may call the appropriate number given below.

STAGING AREAS

Crews will be dispatched all during "T" Day from staging areas in Lemon Grove and Spring Valley.

In Lemon Grove, tumbleweed workers should report (starting at 8 a.m.) to Lincoln and Imperial by the Kerrigan Liquor Store. This will also be the dumping point for tumbleweeds that can't be burned where they are.

In Spring Valley, the staging area at which workers should report (starting at 8 a.m.) is Mt. Miguel High School at Sweetwater rd. The lot across Sweetwater from Miguel is the dumping place for tumbleweeds that cannot be burned where they are.

In Lemon Grove, to call for assistance in clearing tumbleweeds or to report tumbleweeds to be picked up, people should call HO 6-5955. To call firemen to come burn stacked tumbleweeds, Grovans should call HO 6-1459.

In Spring Valley, to get aid in clearing tumbleweeds, to get them picked up, or to summon firemen to burn stacked tumbleweeds, Valleyites should call HO 3-0209.

JANSEN PROMISES AID

County Sheriff A. E. Jansen said that extra units will be sent to the LG-SV area on "T" Day to help with the expected traffic increase that will be brought on by circulation of tumbleweed trucks. Possible safety problems have been a concern of anti-tumble committees from the beginning.

Refreshments for tumbleweed workers will be served all day in Lemon Grove at the youth center and in Spring Valley at Goodland Acres across from fire station 1.

Potts and Stubbs said donations are being sought to defray gasoline and other "T" day expenses.

A full report on "T" Day will be carried in this newspaper next week.

the extra ten, should his salary be lopped? Or in the other direction, if the extra ten is to stand, why not add an extra ten to the other seven?

Far from a complaint is this observation of the goings-on at the downtown branch of Center City. More precisely, it is a scorecard by which the spectator may tell the players as the game gets tighter.

Laos -- A Foreign Aid Failure

There is no example of foreign aid failure which better illustrates the futility of trying to buy friendship than our present program in Laos.

Only eight per cent of its 90,000 square miles is under cultivation and nearly nine out of ten of its 3,000,000 inhabitants are illiterate, yet we are attempting to force a "money economy" on these hapless people.

Laos is a land where the farmer grows what he needs and barters the surplus to other farmers. Its people are not familiar with a money economy. Therefore, "per capita income" as a measurement, cannot be applied to produce relative meaning. . .except to foreign aid theorists who may have a personal point of view, according to Lifelines, a Washington Newsletter which reflects a conservative viewpoint.

Present foreign aid theory, it says, is that the U. S. can check communism by pouring out money all over the world and this has been particularly true in Laos. The results were summed up in a report by a subcommittee of the House Committee on Government Operations.

The investigating group found that Laos had received more aid than its economy could absorb. Excessive cash grants had caused inflation that doubled the cost of living between 1953-1958. Profiteering through import licenses and false invoices was so widespread that U. S. grant dollars could be purchased for 35 kip (Laos monetary unit) and exchanged on the free market for 110 kip.

Astoundingly, the Committee found that concentration of aid among merchants and public officials in the few urban areas tended to promote communist subversion.

The Committee also found incompetence, mismanagement and corruption as part and parcel of American direction of the program, and named names and specific instances to make the point.

The foreign aid theory is that money, of itself, can bring about a self-sustaining economic growth and reduce dangers of conflict caused by agressive minor powers is not sound theory.

It ignores whether or not the recipient is worthy of it. . . whether the aid is really used to aid the recipient. . . whether subversion can be controlled and outside predatory forces controlled. It also ignores the pitiful proposition that we, ourselves, are unable to plan or aid intelligently and execute it efficiently.

In Laos, foreign aid brought chaos instead of economic growth. It brought war instead of peace.

Dr. Pascoe To Give Talk At Highlands

The Highlands Elementary School PTA announces that at their regular monthly meeting on Thurs., Jan. 18 at 7:30 p.m. they will have Dr. David Pascoe Jr. as guest speaker for the evening. MT. MIGUEL COACHES TO ATTEND ANNUAL EL CORTEZ BANQUET

Approximately five coaches from Mt. Miguel high school will be attending the San Diego County Coaches Appreciation night at El Cortez Hotel's International Room, Jan. 25 at 7 p.m.

The occasion has a twofold purpose: to honor all San Diego county coaches, and to announce the Football Coach of the Year. Paul Dietzel from Louisiana University will be guest speaker.

Coaches representing Mt. Miguel are: Harry Johnston, football; Richard Ridgeway, basketball; Richard Sweet, track and cross-country; Stewart Rubine, wrestling, and Roger Moreau, swimming.

All San Diego high school coaches and administrators have been invited.

Contractor Stuck For $6,000 Bid Error, School Board Says

Lemon Grove school district trustees told the contractor on the Mt. Vernon school improvement that it would not give relief on an error of $6,000 he made in failing to figure decomposed granite to that amount.

J. H. Bender, of the Bender Construction Co., told trustees that the requirement was not clearly set out in the plans and specifications. He said that two other bidders had also failed to recognize the instructions; and that another apparently was confused and bid on about half of the required amount.

The board took the position that if there was confusion, it was between the architect and the contractor and that the district could not adjust the contract after it was completed. "The next lower bidder could take us to court. . .and so could the taxpayers, if we did," Trustee Bert Cosby said.

In other business, the board estimated $3,500 to be the damage in the New Year's Day fire in the storage room near the L.G. junior high school.

It also approved a trip to Ontario April 14 for the junior high band and decided to ask samples on replacement parts for several plastic-type school chairs after the manufacturer agreed to replace the broken ones.

The board instructed Byron Netzley, school superintendent, to throw out bids on the district's liability insurance and cause it to be rebid. Two of three bidders made irregular bids, according to Paul Reynolds, business manager for the district.

The next school board meeting will be held at the Vista La Mesa school, Jan. 22, at 7:30 p.m.

'Deeper Life Conference' Slated In S.V.

Mt. Miguel Covenant Church will conduct a Deeper Life Conference with the Rev. Paul P. Fryhling, pastor of the First Covenant Church, Minneapolis, Minn., as speaker from Sun., Jan. 21 through Jan. 25 with services at 10:45 a.m. and 7 p.m. on Sunday and at 7:30 p.m. Tues., Wed. and Thurs.

Pastor Fryhling is the senior minister of the largest congregation in the Evangelical Covenant Church of America. He formerly served as pastor of the Providence, R. I. Covenant Church. He is known for his clear understanding of the Scriptures and for provocative preaching, said Rev. Wallace H. Pratt, pastor of Mt. Miguel Covenant.

The Mt. Miguel Covenant Church located at Akard and Kempton sts. in Spring Valley was organized in April of last year. The public is invited to the services.

L.G. Lutheran Youth Plan 'Betsems Retreat'

Lemon Grove Lutheran Church will sponsor a "Betsems Retreat" for its high school youth, Feb. 2-4. Betsems means "Between Semesters." Pastor Orlin Mandsager of Lynnwood, Cal., has been secured as the guest speaker. The cost per camper will be $7 for the weekend.

"Betsems" will be held at the Hemming Ranch at Live Oaks Springs which is 60 miles east of Highway 80. High school youth who are active in the congregation or in the Sunday school are eligible. All who plan to attend are encouraged to bring their registration to the pastor or intern as soon as possible.

The church will hold its annual congregational meeting on Sun., Jan. 21 at 2:30 p.m. At this meeting officers for the coming year will be elected and other important matters of business will be transacted.

The third Sunday of January (Jan. 21) is Baptism Sunday at the church.

S.V. First Baptist Men Plan Dinner

The Men's Fellowship group of the Spring Valley First Baptist Church will have their monthly dinner and meeting on Friday of this week at 6:30 p.m. Guest speaker will be Rev. Keneth Overstreet, director of high school Bible clubs of San Diego.

Plans are underway for the annual Sweetheart banquet scheduled for Jan. 30.

Ray Whitmus of the BYF has resigned as president of that organization to devote more time to his presidency of the East Area of BYF. But rumor has it that he may soon be resigning as president of that organization, as he has been accepted as a foreign exchange student from Mt. Miguel High School. He is scheduled to leave for Argentina in March and will be gone 10 months. Ray has been singing in the adult choir at the church as well as singing baritone in the "Valley Chapelaires," mens quartet.

Rev. Roland Taylor will bring the message for the two morning services on Sunday. In the evening the annual School of Missions program will continue.

Bancroft Baptist Young People Schedule Social

Intermediate and young people's departments of the Bancroft Baptist Church will have a social meeting on Sat., Jan. 20 at 7:15 p.m. at the church.

The Sunbeam boys and girls enjoyed an outing at the Balboa Park museum on Saturday afternoon under the leadership of the groups' directors—Mrs. C. A. Barker and Mrs. Horn.

There will be cottage prayer meetings at five different homes throughout the area on Thursday evening, Jan. 25 in preparation for a revival period with evangelist Robert Conner of St. Louis.

Revival services will be from Jan. 26 through Feb. 2 at 7 p.m.

Rev. Lewis Ginn's text for this Sunday is "Prevailing Prayer."

GOD'S MINUTE

"OUR GOD"

"EPIPHANY"

The showing forth of Christ is not limited to His birth in Bethlehem. I wonder, how many have already forgotten about the King whose birth we were reminded of in the Christmas mesage? To see Him as the infant is only the beginning. Have you read your Bible and gotten a good look at Him as your Savior?

Detzer Bases Text On Place Seen On Trip

Dr. Jordan Detzer, pastor of the Lemon Grove Methodist Church has titled his sermon for this Sunday "Climbing Up Mt. Caramel." It is based on Elijah from the 2nd Book of Kings and is one of 10 great stories in the Bible, he said.

On their recent trip to the Holy Land, Dr. Detzer and his wife were at Mt. Caramel.

The men's club meet at the church at 7 p.m. Sun., Jan. 21 before touring the studios of channel 10 with LeRoy Bellwood, a member of the church and a TV 10 staffer. All men of the church are invited to come and bring their wives.

The Evening Star Circle will meet Jan. 22 at 7:30 p.m.

Ecuadorian Missionary Talks At CDO Baptist

Mrs. Reuben Larson, missionary on furlough from Ecuador, was guest speaker at the Woman's Missionary Society meeting at the Casa de Oro Baptist Church, Tuesday night. Mrs. Larson and her husband went to Ecuador in 1924 and he started the world famous Quito radio station, noted for its ministry.

Mrs. Larson's message to the Casa de Oro women brought a blessing, it was reported. The evening also included a short business meeting, White Cross work and a time of fellowship. Hostesses were Mrs. Ellen Dale and Mrs. Bette Berke. Mrs. Larson was also guest speaker at a special meeting Sunday evening of the High School Youth group.

The adult Sunday School class, taught by Melvin Chancy, will have a get-together Thurs., Jan. 18 at 7:30 p.m. in the lower auditorium. Guest speaker will be Dr. Vincent Bennett, pastor of the La Jolla Community Church and well-known Bible teacher. Dr. Bennett's talk will be enhanced with pictures. Following the meeting there will be a time of fellowship and refreshments. The adult Sunday School teachers will also be present.

Rev. Ernest Anderson, pastor of CDO Baptist Church attended the annual Ministers Retreat at Forest Home on Jan. 15-17. The Retreat was for all Baptist General Conference pastors in California.

'That I May Not Thirst' Is Strickler Text At Warner Memorial Church

"That I May Not Thirst" will be Rev. Philip Strickler's text at the 10:30 a.m. Sunday service of the Warner Memorial Evangelical Church on Campo rd. The text is taken from the Book of John, 4:15.

Also Sunday will be Pioneer Day for the Evangelical United Brethren Churches around the nation. It is when all retired ministers of the association are given special recognition. The retirement home for the ministers, known as "Baker Home," is located at La Puente, Cal., neas Los Angeles.

This Saturday in conjunction with the S.V.-L.G. community-wide cleanup, the Warner Memorial Evangelical church members will have a work party cleaning up around the church and grounds and also doing a bit of landscaping.

Vista La Mesa Sermon 'Abide'

"Abide" is the second sermon in the Disciple Directional series being presented by Rev. Richard G. Davis of the Vista La Mesa Christian Church. Services are at 9:45 and 11 a.m.

Christian Learning for Christian Living is the study course which introduces a new concept in Christian education at the church, Rev. Davis said. It begins at 6:30 Sunday night at the church.

Church school is at 8:45 and 9:45 a.m. Sundays. Nursery care is provided at the church.

Living Aided By Knowing God Is Sermon Text

Conflicting demands of everyday living can be resolved through spiritual understanding of God as divine Life. This is a theme of the Lesson-Sermon entitled "Life" to be read in all Christian Science churches on Sunday.

Scriptural selections include this passage from John's Gospel, "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." And Jesus' promise of eternal life when he said to the woman of Samaria, "If thou knewest the gift of God, and who it is that saith to thee, Give me to drink; thou wouldest have asked of him, and he would have given thee living water. . .whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life." (John 3:16, 4:10, 14)

Foothills Methodist Church Reports Soaring Membership

In recent weeks the attendance at Foothills Methodist Church has soared to nearly 300, according to a report from Rev. James King, pastor.

He said that at present the church membership has reached the 340 mark, and, as an average of 12 people have been joining each month, if present trends continue the church membership should exceed 400 by the end of the present fiscal year in June.

Trinity Church 10th Anniversary Dinner Is Sunday

The annual congregational meeting of the Trinity Presbyterian Church is scheduled for this coming Sunday, Jan. 21 with a dinner at 6 p.m. and the meeting at 7 p.m. This is the 10th anniversary meeting. Annual reports will be given and election of officers held.

On Saturday from 9 a.m. until 12 noon, Trinity will be host to the junior department teachers demonstration. This is part of the Presbyterian district's "one-day" school for church school teachers.

St. Phillips' Acolytes To Attend Festival

Fifteen Acolytes from St. Philip's Episcopal Church, Lemon Grove, will attend an Acolytes Festival for the Convocation of San Diego to be held on Sunday afternoon, Jan. 21 at 4 in St. David's Episcopal Church, 5050 Milton st. in Claremont.

The preacher will be the Rev. William Scott Chalmers, headmaster of Harvard School for boys and an outstanding preacher. Over 200 boys and men with Layreaders and Clergy will gather for this traditional festival.

Following the service, a supper will be served in the church patio. Everyone is cordially invited to attend the service.

The seminarian from the Church Divinity School of the Pacific, Berkeley, will preach Sunday at St. Philip's, the Rev. J. Phillip Bartlett announced today.

The guest preacher John R. Roen, of Elsinore, Cal., is a senior at the seminary. He was invited by the local church so that the congregation can hear first-hand of the work being done at the West Coast seminary.

AMERICANISM — State Senator Hugo Fisher (D-SD) center, was presented with two awards for "outstanding Americanism" by SD VFW. Presentation was made by Past State Commander (1959-60) Ray Rainwater of SD (left). National City Post Commander representative E. W. Windiate also took part in the presentation.
Sen. Fisher was commended for the teacher credential reform measure which passed the last legislative session.

Red Cross Opens Disaster Institute For Registered Nurses Of Area

A Disaster Preparedness Institute for registered nurses of the Foothills area started Jan. 17 at El Cajon Valley Branch Red Cross headquarters, 426 N. Magnolia ave., El Cajon. There will be five sessions on Wednesday evenings from 7:30 to 9, according to an announcement made today by Mrs. Aliece Pinkerton, volunteer nursing chairman of the El Cajon Red Cross Branch. She will coordinate the sessions, which are being sponsored by the Red Cross and the Grossmont Adult Education division.

Harold G. Leland, MD, chairman of medical and health preparedness in disaster for the City of El Cajon, will address the first session. Dorothy Villiger, director of disaster service for the San Diego County Red Cross chapter, will also speak and report on her four months of duty on the Carla disaster in Texas.

Additional information if desired may be secured by phoning Mrs. Pinkerton, HI 8-0581 after 4 p.m. There is no fee for the institute, and those desiring to enroll may register at the first class meeting.

NOTICE OF INTENTION TO VACATE AND ABANDON PORTIONS OF SKYLINE DRIVE, CANTON DRIVE, AND LANSING DRIVE IN MONTEREY HEIGHTS

PUBLIC NOTICE IS HEREBY GIVEN that the Board of Supervisors adopted a resolution on December 26, 1961, declaring its intention to vacate and abandon the following - described portions of County highways:

Those portions of SKYLINE DRIVE, formerly Narragansett Avenue, and LANSING DRIVE, shown on Map No. 1966 of Monterey Heights, and on Map No. 2393 of the Resubdivision of portions of Monterey Heights, and of SANFORD DRIVE shown on said Map No. 2393 lying northerly of the easterly prolongation of that portion of the southerly line of Lot 9 shown on said Map 2393 having a length of 98.16 feet, lying southerly of the easterly prolongation of that portion of the northerly line of Lot 1 of said Resubdivision, having a length of 102.38 feet, and lying westerly of a line that is parallel with and distant 8 feet at right angles easterly from the westerly line of said Skyline Drive and its prolongations, said maps being on file in the Office of the County Recorder of San Diego County.

EXCEPTING therefrom those portions of said Skyline Drive and Lansing Drive lying northeasterly of a 20-foot radius curve concave southwesterly that is tangent both to said easterly prolongation of the north line of Lot 1 and to the northerly prolongation of said parallel line.

ALSO EXCEPTING therefrom those portions of Sanford Drive and Skyline Drive lying southeasterly of a 20-foot radius curve concave northwesterly that is tangent both to said easterly prolongation of the southerly line of Lot 9 and to said parallel line.

ALSO those portions of said SKYLINE DRIVE and of said SANFORD DRIVE, and of CARLISLE DRIVE, shown on said Map 2393, lying southerly of the easterly prolongation of that portion of the northerly line of Lot 15 of said Resubdivision, having a length of 58.79 feet and lying northerly of the easterly prolongation of that portion of the southerly line of Lot 16, said Resubdivision, having a length of 88.17 feet and lying westerly of a line that is parallel with and distant 8 feet at right angles easterly from the westerly line of said Skyline Drive and its prolongations.

EXCEPTING therefrom those portions of said Sanford Drive and Skyline Drive lying northeasterly of a 20 foot radius curve concave southwesterly that is tangent both to said easterly prolongation of the northerly line of Lot 15 and to said parallel line. ALSO EXCEPTING therefrom those portions of said Skyline Drive and Carlisle Drive lying southeasterly of a 20-foot radius curve concave northwesterly that is tangent both to said easterly prolongation of the southerly line of Lot 16 and to said parallel line.

Those portions of SKYLINE DRIVE, formerly Narragansett Avenue, and LANSING DRIVE, shown on Map No. 1966 of Monterey Heights on file in the Office of the Recorder of the County of San Diego, lying southerly of the westerly prolongation of that portion of the northerly line of Lot 1 in Block 26 of said Monterey Heights, having a length of 1.35 feet, lying northerly of the westerly prolongation of the southerly line of Lot 2, said Block 26, and easterly of a line that is parallel with and distant 8 feet at right angles westerly from the westerly line of said Lot 2 and its northerly prolongation.

EXCEPTING therefrom that portion thereof lying northwesterly of a 20-foot radius curve concave southeasterly, that is tangent both to said westerly prolongation of the northerly line of Lot 1, Block 26, and to said parallel line.

The easterly 8 feet of those certain rights of way for County Highway granted to the County of San Diego by easements over the westerly 35 feet of Lots 14 and 15 of Moody's South Addition to Lemon Grove, according to Map thereof No. 1290, filed in the Office of the County Recorder of said County, recorded in Books 4989 and 5037 at pages 443 and 506 respectively of Official Records in the Office of the County Recorder of said County.

The Board has fixed Tuesday, January 30, 1962, at 11:00 a.m., and the chamber of said Board, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place for hearing on said resolution of intention to vacate and abandon said portions of highways.

YOU ARE HEREBY NOTIFIED to appear at the time and place fixed for said hearing and show cause, if any you have, why said highways should not be vacated and abandoned.

For further details reference is hereby made to said resolution of intention on file in the office of the Clerk of the Board of Supervisors, Room 306 San Diego City and County Administration Building, Civic Center, San Diego, California.

County Civil Defense Reports 7 Area Mines Good As Fallout Shelters

Fifty-six out of more than 1,000 mines in San Diego county are potentially usable as fallout shelters, Roy M. Kepner Jr., assistant director, Division of Natural Resources, Department of Agriculture, said after the completion of a preliminary survey.

Seven of these mines are in this general locale. Ivan E. Lake, public information coordinator for the Unified San Diego County Civil Defense and Disaster Organization, said it had not been determined how many people these local mines would hold.

All of them were described by Lake as "structurally sound, dry and having good air."

The nearest one to Spring Valley and one of the largest of the seven, is the Jamacha mine that can be reached from Highway 94 over a one-mile road connecting 94 with Dehesa road two miles east of Jamacha junction.

275 SHAFT FEET

The Jamacha mine was described as having an extranceway four feet wide and six feet high. It has an adit of 275 feet. (Adit means the length of shaft.)

Another mine in the area is the one at McGinty Mountain. It is 3½ miles from the Dehesa school and has an adit of 71 feet.

There are five mines usable as fallout shelters several miles south of Dulzura school. The mines and their adits are:

Buckthorn, 50; Mine Canyon, 400; Marron Valley, 200 with two crossing shafts, 90 and 20; Golden Artery, 420 and Mine Canyon Number 1, 225.

STUDY REQUESTED

The study of mines, made at the request of William B. Maty, Unified San Diego County Civil Defense administrator was started last November. A copy of the report was sent to Real Admiral James R. Davis, U. S. Navy Bureau of Yards and Docks, for use in the current federal shelter survey here.

A copy of the report has been turned over to the T. G. Atkinson Associates of San Diego, one of the engineering firms which last week started working on the fallout shelter survey under contract with the United States government.

The preliminary study indicates there may be between 75,000 and 80,000 square feet of usable space for shelter occupancy in the 56 mines listed. A more definite determination of the useability, capacity and availability of each mine is expected to be reached at the conclusion on April 1, of the work being done by the Atkinson company.

Lake said 10 square feet are considered to be minimum space requirements per person.

IN BASKETBALL

Matadors Capture 2 League Victories

by Bill Ott Jr.

Coach Dick Ridgway's Mt. Miguel Matadors found out what happens when they hustle all the way in a basketball game. The Miguelers, led by speedy guard Doug Ashley chalked up two important Grossmont League victories last week, nipping El Capitan 40-39 in a real hayburner Tuesday afternoon, and then dropping winless El Cajon 55-39 Friday night. Both loop meetings were played on the Spring Valley boards.

Guards Shine

The Matadors got outstanding performances from Ashley and teammate Lenny Lacuesta in the Tuesday afternoon tilt. Ashley stole the ball 5 times in the third quarter and turned the thefts into baskets, scoring 13 of his 17 point total in the third quarter. Lacuesta added two free-throws in the final minute of play to give the Matadors a 40-39 lead. El Capitan had possession of the ball during the last thirty seconds of play and stalled hoping for one good shot that would mean victory. With ten seconds remaining, the shot was taken, but failed to go through the hoop and Matador Jerry Dame nabbed the rebound as the gun sounded.

For the Miguel five it was their first league triumph after sitting out Friday night's action with a first round bye. The Matadors went into the contest with a 1-8 record in pre-season play, but played like champions against the Vaqueros who won their opener Friday night.

Slow Start

Both teams got off to a slow start in the first half with the Matadors leading at the end of the first quarter 12-10, and 16-15 at the end of the frist half. In the third quarter the Miguelers tallied 19 points with Ashley scoring 13 personally El Cap stayed within striking range with a 14 point third quarter effort, and trailed moving into the final period of play 35-29.

Business Women To Hear Talk On Greenspot Park

Marie Wertz will speak on the Lemon Grove Greenspot Park at a luncheon-meeting of the Business Women's League on Jan. 18 at 12 noon at Michael's.

The League's program will be in conjunction with the senior citizens' project. Mrs. Israel Marders will introduce guest speaker Marie Wertz.

Dr. Amorita Treganza, civic chairman of the BWL will report on progress of fund-raising plans for the March of Dimes. BWL president Mrs. Fred Scheneman will preside.

PVT. JERRY THOMAS COMPLETES TRAINING AT TEXAS AIR CENTER

FORT BLISS, Tex. (AHTNC) —Army Pvt. Jerry J. Thomas, son of Mr. and Mrs. Frank E. Thomas, 9017 Kenwood dr., Spring Valley recently completed advanced individual training at the Air Defense Training Center, Fort Bliss, Tex.

Pvt. Thomas was trained in the duties and responsibilities of a missile crewman.

The 18-year-old soldier entered the Army last August and completed basic training at Fort OOdr, Calif. He graduated from Mt. Miguel High School in 1961.

Monte Vista Downs Braves, Highlanders

Monte Vista remained in the Grossmont League basketball race third place after winning two loop meetings last week. The Monarchs traveled to Granite Hills to meet El Cajon Tuesday afternoon and rolled by the Braves, 46-40. Friday night the Monte Vistans hosted Helix and sent the Highlanders on the low road with a 48-41 beating.

In the Tuesday afternoon clash, El Cajon gave the Monarchs a scare with a 14-10 first quarter load, but the winless Braves could not stay on the warpath and the Monte Vista five raced to a 24-21 halftime lead.

Braves In Front

El Cajon, still determined to hit the victory column for the first time this season bounced back in the third quarter with 13 points while holding the visitors to 9 for a slim 34-33 lead going into the final period of play. In the final stanza the El Cajon quintet managed to tally only 6 points while the Monarchs hit the hoop for 13 and the 46-40 triumph.

Bob Anderson and Lyle VanNorman paced the winner's attack with 12 points each followed by George Gray's 10 point winning effort. For the losers John Savoy took game scoring honors

160 pds. Mike Foote, Lemon Grove, won by forfeit.

The La Mesa recreation proclaimed La Gamma outstanding wrestler of the day "because he defeated a very tough opponent."

Long-Lost Tiny Tim Still Lost

When two little Lemon Grove girls found a Yorkshire Terrier at the doorstep of one of their homes last Saturday shortly after noon, they thought they had run across long-lost Tiny Tim, a little dog for which $125 reward is being offered.

Tiny Tim was lost in Spring Valley lately and neither hide nor hair of him has been seen as far as owner Mrs. Astrid Frye of San Diego knows.

She put stories in several newspapers in order to get the dog back. In the issue of Jan. 4 this newspaper printed a story-picture about Tiny Tim of Westview, requesting that anyone with information notify the owner or trainer.

The story was clipped and put on the bulletin board at San Altos Elementary School in Lemon Grove. Jane Klein, 11, of 1840 El Prado and Stephanie Shaw, 11, 2049 El Prado are pupils there and saw the clipping.

But the friendly little dog they kept with them until Sunday morning turned out to be the wrong dog. When they got hold of Mrs. Frye then she told them they didn't have Tiny Tim.

Tiny Tim has long hair which is dark grey on his body and tan around his head and legs. He weighs 4 pounds and is 8 inches high. And he is still lost. The Frye number is BR 8-3492.

Said Mrs. Klein Monday of this week: The dog the girls found certainly came close to being the right one. But the girls are more sorry for having kept someone's dog from him overnight than for missing the reward money.

James F. Dunns Celebrate Silver Wedding Anniversary

It wasn't altogether a surprise, but when friends came in a group on the evening of Jan. 6 bearing gifts, a cake and a silver money tree, the James F. Dunns new their silver wedding anniversary was getting the full treatment. They live at 3239 Sweetwater ave., Lemon Grove.

The party was sparked by Mrs. Sadie Serr and Mrs. C. C. Clevenger. Fifty-four guests enjoyed the open house from 7 to ten p.m. Out of town guests were the Ward Myers, the James Serrs of Escondido, the Glenn Crowns of Anaheim and the L. Marquardts of St. Paul, Minn.

The big surprise was the four-tiered wedding cake made by a Dunn friend. "We knew something was being planned," said Mrs. Dunn, "but did not know just what it would be, so the wedding cake was a real surprise."

The Dunns were married in Kennebec, South Dakota, on Jan. 6, 1937. They have one daughter, Mrs. Margaret Crown of Anaheim and one grandchild.

L.G. Woman's Club Juniors To Initiate New Members

Piano Maestro Bolet To Play At Grossmont

Jorge Bolet, noted pianist, will be presented in a recital by the Grossmont Community Concert Association on January 27 at Grossmont high school auditorium.

Born in Havana, Cuba, Bolet received his training at the Curtis Institute of Music in Philadelphia. After early successes in Europe, he returned to the United States to win the coveted Naumburg and Joseph Hofmann awards. He has risen steadily to his present position of eminence in the world of keyboard music. His recording of the sound track for Columbia Pictures' "Song Without Words" brought high praise for his sensitive interpretation of the pianistic genius of Franz Liszt.

WHAT'S DOING

Sid Mansfield, your telephone manager in Lemon Grove

You wouldn't think so to look at it, but your telephone is a really complex arrangement of 472 separate precision parts. Spread out, they'd cover a desk top! Yet teams of skilled people at Western Electric, manufacturer for the Bell System companies, can make a phone from scratch in just about 45 minutes.

At Western Electric's main plant some 30,000 telephones a day come off the assembly lines. This takes plenty of technical know-how. It also takes a constant search for new and more efficient processes, tools, and work methods.

The result of this teamwork: keeping up with California's and the nation's fast-growing telephone needs with high quality products that help us serve you better.

Sid Mansfield, manager of Pacific Telephone in La Mesa, today announced the availability of a new entertaining, informative color film entitled "A Manner of Speaking."

This film, stressing Telephone Courtesy for all business telephone users, sparkling with humor, features motion picture and television star, Fred Clark.

It is a lively 28-minute Technicolor film that takes you behind the scenes of a business organization where you see how misuse of the telephone can shatter office efficiency and even lose customers.

The film shows some practical ways of achieving telephone courtesy, and how this results in more and happier customers. There are many other Bell System films available to help you get the most out of your telephone. To arrange a showing, simply call the La Mesa Telephone Business Office, HOpkins 6-3201.

Unusual uses for telephone books. One of the telephone companies received an order from a South American fruit company for 800 telephone books—Yellow Pages and all. Turned out they were to bullet-proof a truck against bandits!

It figures—when you need help, you'll find it fast in the Yellow Pages!

Shoppers May Send Woman To Hawaii

POPULARITY POLL—Voting for the Thriftimart checker Mary King, who may win a two-weeks vacation in Florida, are Spring Valley shoppers Mr. and Mrs. Alvin E. Frantz, 554 Hotz st., Spring Valley, and Mrs. Ivan G. Basel, 8054 Solana, Lomita Village. Contest is open to all Thriftimart checkers at all Thriftimart markets.

Grocery shoppers who have a special checker-cashier whom they like to handle their orders at Thriftimart because she is so courteous and helpful will have a chance to do the checker a favor, according to Mr. Roger M. Laverty Sr., president.

They can vote for her in the Checker of the Year Awards, an international competition in which Thriftimart has entered all its cashiers. Ballot boxes will be in the stores from January 17, through February 14.

It's no beauty contest—the winners are judged on customer courtesy, efficiency, cash-register accuracy, and neatness. Customer balloting, ratings by market supervisors, performance tests, and interviews by a special board of judges, all enter into the selection of the winners.

The winner from Thriftimart may emerge as state champion. Then, after regional judging, the company candidate could be among the ten checker-cashiers who will be flown to Chicago for the final competition. There she could become the international Checker of the Year—with prizes including a two-week vacation tour of Hawaii, or one of two runners-up who will enjoy vacations in luxurious Florida.

'Be Aware and React' Speaker Tells Kiwanis

"Keep informed through your newspapers and react," Max Goodwin, publisher of the Spring Valley Bulletin-Lemon Grove Review told members of the Spring Valley Kiwanis club last week at the club's regular weekly meeting at the meeting room in the S.V. chamber of commerce building.

"Agencies, commissions, bureaus and departments of the government are taking your Constitutional rights from you because of your apathy," he said.

"These agencies, with roots now deep in the California way of life, carry their own investigative, prosecution and judicial departments. In many cases the citizen is presumed guilty until he proves his innocense. . . a policy opposite to the democratic guarantees.

"We must be aware by reading, and we must demand relief through legislation by making our reaction known to our lawmakers," Goodwin added.

He was introduced by the Rev. John Kerr, pastor of the Shepherd of the Valley Lutheran church, who was chairman of the day.

Mrs. Mary Buckley, 96, Ex-Valleyite Dies At La Mesa

Funeral services for Mrs. Mary Buckley, 96, of 8916 Lemon ave., La Mesa, were to be held Thursday of this week at Erickson-Anderson Mortuary, La Mesa. The Rev. Walter Alexander, pastor of the El Cajon Baptist Temple was to officiate. Interment will be in Glen Abbey Cemetery. Mrs. Buckley passed away at her home Monday night.

A native of Illinois, Mrs. Buckley has lived in San Diego County since 1937 and was a widow since 1919. She made her home with one of her sons and daughter-in-law, the Lyle Buckleys, who for several years lived on Campo rd. in Spring Valley before moving to La Mesa.

Mrs. Mary Buckley is survived by two sons, Lyle Buckley of La Mesa, and Leslie Buckley of Topeka, Kan.

'Old-Style' Show Is PTA Program

The Rancho PTA meeting will be held this week on Thursday at 7:30 p.m.

A short business meeting will be followed by a Goodwill fashion show with teachers and parents as models. Mrs. Mary Self of the Goodwill Industries will be narrator. A harmonica player in showboat attire will provide musical accompaniment.

PROGRESS IN SPRING VALLEY

Group Takes Look At Possible Sites For Youth Center

Another meeting with county officials was held Friday morning to study where a site could be purchased for a youth center in the Spring Valley area. Mrs. Daphne Kahrs, S.V. civic worker, Ed Fackler Jr., S.V. real estate dealer, and a representative of this newspaper met with Cletus "Biff" Gardner, head of the County Parks and Beaches department; G. D. Cullison, park superintendent; Peter Cuthbert, park planner; Ed Swanson, head of the current plans division, and Bob MacDonald, assistant to Supervisor Dave Bird.

The group toured three sites:

Five acres belonging to Dr. Thomas Early of Lemon Grove. These five acres lie in the southeast corner of Spring Valley near Sweetwater Lake, and it was reported Dr. Early is asking $12,000 for the parcel.

Second site is a 17-acre parcel adjacent to the Early property, the 17 acres belonging to Anthony Spinazzola. He is asking $4,250 per acre, or $72,250 for the parcel.

Third site is a 10-acre parcel adjacent to the Highland Avenue Elementary School on South Barcelona st. The price on that parcel is reported to be $30,000

Of the three sites, Mrs. Kahrs said she prefers the 17-acre plot of Spinazzola because, she said, that site is almost level. She said that maybe the county could purchase the five acres belonging to Dr. Early, providiing a total of 22 acres for the youth center.

Mrs. Kahrs said the 22 acres would provide space for a senior citizens' recreation area to adjoin the youth center. A baseball field and other recreational facilities, including buildings would occupy the youth center part.

Gardner said that before a report on the site can be submitted the County Board of Supervisors, information such as cost of grading and general preparation of the site would have to be worked out.

County-Wide Shelter Study Contracts Given

SAN DIEGO (CNS) — Contracts for studies of every public and semi-public building in the county to determine which can be used for fallout shelters were awarded lately.

The surveys are to be made by the employes of five firms, trained at a Port Hueneme Navy dept. school. Reports on buildings that can be used for fallout shelters must be completed by April 1.

Five firms were awarded survey contracts totaling more than $105,000. Wittman Engineering Co. will survey Lemon Grove, Spring Valley and other county areas.

The contracts were awarded at a session of the Unified County Civil Defense and Disaster Organization, held at Civic Center.

E. Bruce Love, a Navy civilian employe, was named to direct the study. He will be working under RAdm. James R. Davis, of the U.S. Navy Bureau of Yards and Docks, who is heading the study program in the Southwest.

After the survey results are in on April 1, local officials are to be authorized to negotiate with the owners of the buildings that can be used on contracts to make the structures available for shelters.

ELECTED PRESIDENT — Mrs. Wilbert (Evelyn) Zabel, of 9555 Lamar St., Spring Valley, last week was installed as president of the San Diego Fuchsia Society. The installation was in the Floral Building at Balboa Park, the Society's meeting place. Installing officer was Mrs. Mary Bray Watson, representative of the Floral Association, and a member of the Fuchsia Society. Mrs. Zabel succeeds Mrs. Bertha Adams as president.

CZECH-BORN PIANIST

Rudolf Firkusny, the distinguished Czech-born pianist, will be playing for San Diego Community Concerts members at the Russ auditorium Jan. 20. The 1961-62 season is his nineteenth in America.

COMING TO RUSS

Firkusny has appeared often in San Diego and has always been a popular favorite. His last appearance was with the San Diego Symphony in the summer of 1960, playing Beethovan's "Fourth Concerto."

Officers Named To Head New Spring Valley Bank Of America

Veteran San Diego area banker James Van Dusen has been appointed manager of Bank of America's soon-to-open Campo-Conrad branch in Spring Valley, it was announced by Jesse W. Tapp, chairman of the statewide bank's board of directors.

In his first official act, Van Dusen announced that area residents Frank A. Davis will be his lending officer, and Donald J. Hoogstad, operations officer of the new branch.

Van Dusen was assistant manager of the Ocean Beach branch prior to his advancement. He was promoted to his first officer assignment at the Hillcrest branch six years ago and since that time had served on the branch service staff and at Pacific Beach.

Active in San Diego area civic affairs, he is a past president of both the Pacific Beach and East San Diego Lions Clubs

J. Van Dusen

and past secretary-treasurer of the Escondido Philharmonic Association.

Hoogstad gained experience for his new position by serving as assistant operations officer at the Coronado branch for the past two years. His banking career got underway in 195? at the El Centro branch and he served briefly on the branch utility staff before his assignment to Coronado.

A native Californian, he was born in Los Angeles and attended high school in El Centro. He is a graduate of Long Beach City College and holds a certificate from the American Institute of Banking.

Davis, who lives at 7218 Berkeley Drive in La Mesa, assumes his new position after serving as a junior officer in the Timeplan department at the Five Points branch. He began his career there as a teller in 1954.

S.V. Firemen Attend 5 Fires, 6 First-Aid Calls

The Spring Valley Fire Department was quite busy during the week of Jan. 9-16 with five fire calls and six ambulance runs.

There were two structural fires on Jan. 15. Number one was at the home of Arthur Borden, 3438 S. Granada. Hot coals from the living room fireplace did small damage to the floor. Fire 2 was at the home of Kenneth Swift, 8759 Troy st. An overheated space-heater caused an undetermined amount of damage to the living room.

The ambulance was called to Monte Vista High School on Jan. 11. School groundsman Roland Shannon, 54, suffered an apparent heart attack and was dead when the ambulance arrived. Funeral services were held for him on Tuesday of this week. He lived with his less st., El Cajon.

Around Our Valley:

News and Views from Spring Valley

By Tommy Thomas

CONSTRUCTION IN STATE SHOULD AID BUSINESS

Local real estate brokers and builders who for the past 12 months have been saying, "Business is bad," may be singing in happier tune in 1962. The Calif. State chamber of commerce recently stated that new construction in the state in 1962 should run in the neighborhood of $7.3 billion. Of course that means Spring Valley will get its share.

The Calif. State C of C said this figure is an all-time high, and it will be $229,000,000 or 3.2 per cent greater than the 1961 total. It also stated that the new total combines both public and private spending, but does not include either maintenance or operation. The news item also stated that the total figure will be divided into $4,839,000,000 for private construction and $2,458,000,000 for public construction. Private construction will exceed that of 1961 by 4.3 per cent.

The last of the Spring Valley Estates houses are about completed and I understand "that is it." But of course Spring Valley still has lots of room to expand. If you doubt that statement just drive Around Our Valley and you'll see what I mean.

WINDS NOT BAD

The speedy Santana winds that were blowing through Our Valley last week didn't seem to do too much damage. The fire department didn't get any reports other than lots of tumble weeds along the streets. I noticed many tall palm trees lost some of their wood, which was strewn along several streets. Many signs were knocked over.

The U. S. Weather Bureau said winds were blowing 60 and 55 miles per hour on some mountain locations, but that the top speed at Lindbergh Field was 15 mph. In fact, it reminded me of the middle west.

HITCHCOCK'S BIRDS HAVE INTERLUDE

I was talking to Mr. Robert (Marie) Hitchcock, our local puppeteer (Padre Puppeteers) the other day. She had just had a harrowing experience. It seems a new family just moved in close to her; a family with a four year old boy. Well this little lad became acquainted with a little girl in the neighborhood and to impress the little missy, the little boy said he'd show her the Hitchcock bird collection; peacocks, several varieties of pheasants, etc.

So over the back fence of the Hitchcock yard the two youngsters climbed. Soon they opened the pens and birds were flying all over the place. Mrs. Hitchcock said it was some time before she realized what was going on as her doors were closed and the tv was on. What about the dog? Jester No-No was in the FRONT yard. Anyhow most of the birds are now back in their respective pens. . . . just a couple of ring-necks and a partridge missing.

WE GET GRANDDAUGHTER

Congratulations. . .to whom? My wife and I and our son and daughter-in-law. The occasion? Our first granddaughter; named Susan Joyce Thomas, born at Grossmont hospital Jan. 10; weight, 5 lbs. 2 oz. Three weeks early. Son Jack and wife live at 3124 Central. They have one other child, Mark Kenneth, 16 months old. The maternal grandparents, Mr. and Mrs. Kenneth Bowers live in Brookside.

WELCOME, CORNWELLS!

"Welcome to Our Valley." This salutation to Monte Cornwell, president of the NEG-O-WELD Co., which recently opened its doors at 2844 Bancroft dr. Assisting Cornwell is Robert Williamson of San Diego and Dale Burrows of El Cajon. Cornwell lives in the Casa de Oro area of Spring Valley.

NEG-O-WELD is a new invention to help printers, in that it welds together the masking and negative from the top side without turning it over. The company was incorporated in July of 1961. Hours at the S.V. office are 9 a.m. to 5:30 p.m., Monday through Friday.

CHUCK BACK

I was glad to see one of our local real estate dealers back on the job the other day. I'm speaking of Charles "Chuck" Middleton, who is associated with the Chet Smith Real Estate office down at Bancroft and Memory lane. Chuck was in an auto accident not too long ago and suffered a neck injury.

SPRY AT 95 — A big birthday party is in store on Thursday of this week for Anna E. Flesner, a resident of the Lockhaven Guest-Home at 3202 S. Barcelona in Spring Valley. Shown here fondling an orange tree in the fertile valley, Mrs. Flesner is a native of Madison, Wis., and has lived here several years. Everyone at the guest home will take part in the birthday party festivities, said Mrs. Almira Rue, assistant manager there.

"Mrs. Flesner is a splendidly alert woman," Mrs. Rue said. "She sort of keeps the other guests in line but they love her for it.."

Charm, Modeling Classes To Be Held

New charm and modeling classes for young ladies will be offered by the La Mesa recreation department on Feb. 5 for 13-year-olds and Feb. 7 for 14 through 19 years.

The class covers conversation, charm, make-up, manners, etiquette, voice control, skin and hair care, grace, figure control, good grooming, poise, personality, dating manners, modeling, clothes (and how to choose clothes wisely). It will be under the direction of Lynn Hutts.

Registration is in the office of the Youth and Recreation Center, 8440 University on Monday through Friday from 9 a.m. to 4:30 p.m.

DEADLINE IS FEB. 5

Half of the period granted by State law for annual renewal of motor vehicle registrations has passed. After Feb. 5 motorists will have to pay a penalty fee.

"A spurt of public response to the registration fee statements at the start of January, followed by a drop in applications at Department of Motor Vehicles field offices, is developing as the pattern again this year," Tom Bright, director of motor vehicles reported in Sacramento today. "Owners appear to be postponing their registrations, especially in the parts of the state where foggy or colder than normal weather has been experienced.

"The result is a 'clear coast' in many DMV offices. This means a light demand for DMV employee service, and speedy accommodation to motorists calling at offices for registration renewal. This favorable condition will end later, as applicants appear in greater numbers to avoid the fee penalties that follow the deadline, Mon., Feb. 5."

DISPLAY HERE — Jesse Lee, owner of the Lemon Grove Travel Bureau, shows a scale model of the PSA Super Electra Jet to Mrs. Wilma Costello and Miss Lou Rella, of the United States National Bank staff. Along Sweetwater Road

News of Spring Valley Estates, Mt. Miguel Terrace and La Presa

by Elaine Horowitz HO 3-5393

OLD NEWS STILL GOOD

The existence of a newspaper dating back to the year 1770 has recently come to light. It is owned by Russell Werner of Lemon Grove and has been handed down to him by many, many generations. This newspaper, which is older than the Declaration of Independence, is being mounted by Mr. Werner. It will be available to those interested in seeing it, as soon it is safely protected.

Mr. Werner also has in his possession a collection of letters written during the Civil War.

MOVIE TIME

"Tonka" will be shown twice on January 20, in the auditorium of Avondale Elementary School, 8401 Stansbury st., S.V. Doors will open at 9:30 a.m.; the first show to begin at 10. Dors will open for the second show at 1 p.m.; the movie to start at 1:30. Children of kindergarten age and up will be admitted for a donation of 25c each. Candy and popcorn will be on sale.

THREE STRIKES AND SOMEONE MIGHT BE OUT

Two accidents occurred at the corners of Jamacha rd., and Elkelton blvd. in one week. For some time individuals and community groups have been trying to get either a stop sign or light installed at that intersection, especially since it is a school crossing. We have been told everything from "cars can't brake fast enough coming 'round that curve for a stop sign or light," to "there's not enough traffic, and they don't go fast enough to warrant it."

Those two cars involved were going faster than the legal speed limit but no one was killed. The third time might be too late.

WHY TEACHER

The San Diego area will be under discussion on television Jan. 21. The program, "Why, Teacher," is one of a series presented by the C.T.A. A panel of California newspapermen will discuss with San Diegans how "Communities Teach Too."

S. V. OUT FRONT

The fire districts of Lemon Grove and Spring Valley differ in most respects, including your tax rate.

Lemon Grove has one firehouse in which 15 paid and 10 volunteer firemen work. They have three major pieces of equipment and one rescue unit. The district covers about four and one quarter square miles, and costs a $4,000 property owner 62 cents per $100 evaluation or $24.80 per year.

The S. V. fire district covers 10 square miles and has three firehouses. Twenty-six paid, and 12 volunteer firemen handle five major pieces of equipment and one ambulance. The tax rate here is $1.06, or $42.40 per year.

The services rendered by these fine men, especially when needed, cannot be evaluated. They contribute much "above and beyond the call of duty" services to the community by their interest in civic groups as well.

Your sanitation district tax rate is based on land and improvement values only, so we'll figure the value to be $3,500. Lemon Grove pays 37 cent per hundred or $12.95 per year. Spring Valley pays 52 cents plus an $18 service charge, or $36.25 per year.

If you've been keeping track, you will find that Spring Valley just pulled ahead to the tune of $30.90 a year.

DOG AND CAR LICENSES DUE

Just a reminder that dog licenses must be renewed by Jan. 31. Proof of rabies vaccination (for the dog, that is) must accompany your application.

The 1962 sticker must be on your car by Feb. 5 or you'll be subject to a fine. Wonder if they'll ever discover a 'mad driver vaccination'.

CUB SCOUT TROOPS INACTIVE

Since September, Cub Scout troops for the Avondale and Rancho school areas have been inactive. This is due to the lack of adult leadership. The boys are ready and very willing to learn the fine standards taught through scout groups. If you want to help as scoutmaster, committeemen or den mothers, call me.

New Office For DMV Started At Collier Park

Beth Bennett, deputy director of the Department of Motor Vehicles said Tuesday the La Mesa office of the Department of Motor Vehicles will move from its present location at 7787 University to new quarters just north of highway 94 and south of Collier Park on Palm ave., April 1.

The new 5,400 square foot building will have parking facilities for about 82 cars and will have twice as many windows at the counter to serve the motoring public as present operations provide.

Offices will also be provided for departmental investigators and hearing officers.

"Recognizing the continuing population growth of the area," Mrs. Bennett said, "the Department has designed the building for expansion when the need arises."

The building will be leased from Dr. Harold W. Pfeiffer by the Department.

Ground-breaking ceremonies were at the site earlier this week under the auspices of the La Mesa chamber of commerce.

Politeness is a virtue that seems to be on the wane these days.

NEW FACES — Mr. and Mrs. David Parr have opened a jewelry store at Spring Valley Center. They are carrying a complete line of watches and jewelry but are specializing in watch and jewelry repair.

A sparkling new jewelry store that will be specializing in jewelry and watch repair has started business at Spring Valley Center on Sweetwater rd., and will observe its grand opening on Feb. 1.

Parr's Jewelry Store is owned and operated by Mr. and Mrs. David Parr of North Park. Parr said he has been a watchmaker by trade for 25 years.

Parr's is handling a complete line of namebrand watches and jewelry. Plans are being made to put in gift items such as ceramic glassware.

The store has a square footage of 840 feet and displays are on walls as well as in showcases. The phone number is HO 3-6242.

The Parrs have four children; Jean, 18, David, 15, Gary Robin, 7, and Roger, 5. The family plans to move to Spring Valley soon.

NEW WORLD EVENTS COURSE TO BE HERE

The role of the United States in world politics will be analyzed in a course on world events to be presented at Grossmont College in the coming spring semester program of evening courses.

Hans Neyndorff, a graduate of the University of Leyden in Holland and a native of Indonesia will teach the three-unit course. It will be given Thursdays from 7-9 p.m. on the Monte Vista High School campus of the college.

LOOMIS SPEAKS

Noel Loomis, prominent San Diego writer of western novels and a lecturer at San Diego State College, spoke on "The Cult of Sex and Violence in Contemporary Literature" at Grossmont College Wed., Jan. 10. In 1959 Loomis won the Western Writers of America award for the best western novel of the year.

16 Schools To Enter Miguel Speech Festival

Mt. Miguel High School will host, on its own campus, the second annual Speech Festival on Feb. 17 from 8:30 a.m. to 7 p.m.

The tournament, in which 16 San Diego county schools will be participating, will be strictly an interpretation event — dramatic, humorous and oratorical. Approximately 200 students will be competing for team trophies, furnished by the Speech county league.

"The purpose of this, Mt. Miguel's second annual Speech Festival, is to give outstanding drama students an opportunity to participate in a competitive display of talent," emphasized W. R. Sanders, Mt. Miguel's speech coach.

"It is my hope," Sanders contined, "that this will became an annual event at our school."

Awards will be presented in the cafeteria after 7 p.m.

Films Of Holland To Be Seen By L.M. Movie Makers

The La Mesa Movie Makers, sponsored by the La Mesa recreation-park department will hold their first meeting of the new year on Mon., Jan. 22 at 7:45 p.m. at Porter Hall, 8472 La Mesa blvd.

William Van Stewart of the S.D. amateur movie club will show his 16mm sound film on Holland, England and Scotland, and Gale Webb will show his 16mm film, "Mr. and Mrs. Brown." One additional film will be shown.

The members of the La Mesa Movie Makers invite anyone interested to join them for the evening's activities. Refreshments will be served.

County Party Registration Totals Given

How do Lemon Grove-Spring Valley political districts look from a partisan point of view?

The County Registrar of Voters, Charles J. Sexton, has taken a count of the registered voters at the beginning of the year and reports here on it.

The discrepancy between the Republican-Democrat totals and the grand totals is the approximately 3 per cent of the registrants who claim to be nonpartisan, prohibitionists or who are in miscellaneous categories.

Here's how we look:
